Birds

Table of Contents
All about the eggs...All about the smooth wings...Mother birds lay eggs...When birds are hungry for worms...A part of the bird...

All about the wings
Some birds have wings. Some birds have colorful wings! Some birds have blue wings or black wings or red wings. Red Robins have red wings. The blue wings are the blue jay wings. The black wings are the regular birds.

All about the smooth wings
The birds have smooth wings. All birds have smooth wings. Like dogs they have smooth fur on the top of the heads! And people! They have smooth hair. Like me!

Mothers lay eggs
Birds lay eggs. All birds lay eggs! Just like mother Robins they get babies.

When the birds are hungry for worms
Birds eat worms! Do you know? They are hungry. Just like people! I always get hungry! We don’t eat worms we eat people food. Just like me!

Birds can fly
Birds can fly! They flap their wings up and down! Just like owls but they can glide! Just like owls too... they can fly!

A part of a bird
Here is a diagram of a bird it has labels! They have a body? Like me! I have a face but I don’t have a beak!
